 The screenshot shows the Kakao Pay app's main interface. At the top, there's a search bar and a notification bell. Below that, a banner for '호텔 20% 할인' (Hotel 20% discount) is visible. The main area features a grid of service icons: 멤버십 (Membership), 신용관리 (Credit Management), 카드추천 (Card Recommendation), 내대출한도 (My Loan Limit), 내문서함 (My Mailbox), 내계좌해택 (My Account Cancellation), 보험 (Insurance), and 청구서 (Invoice). At the bottom, there's a yellow bar with '결제하기' (Pay) and a navigation bar with icons for 자산 (Assets), 혜택 (Benefits), 홈 (Home), 주식 (Stocks), and '전체' (All), which is highlighted with a red box.	 The screenshot shows the '보험' (Insurance) menu within the Kakao Pay app. It lists various insurance services: 내 보험 (My Insurance), 보험 알아보기 (Learn about Insurance), 병원비 청구 (Hospital Bill Claim), 보험비교 (Insurance Comparison), 해외여행보험 (Overseas Travel Insurance), 자동차보험 (Car Insurance), 전세반환보증 (Sequester Return Guarantee), and 내 보험 리포트 (My Insurance Report). At the bottom, '동네 무료보험' (Neighborhood Free Insurance) is highlighted with a red box. The bottom navigation bar is also visible, with '전체' (All) highlighted.
